Part 22: Medical Cannabis Program

Subpart 7: Cannabis Transportation Entities

Chapter 1 REGULATIONS FOR THE COMMERCIAL TRANSPORTATION OF MEDICAL CANNABIS

Subchapter 1 General Provisions

Rule 7.1.1 Legal Authority: This regulation has been promulgated under the authority of and pursuant to Mississippi Medical Cannabis Act, S.B. 2095, Mississippi Legislature Regular Session 2022, Section 4 (1) (3) and Section 21.

Source: Mississippi Medical Cannabis Act, S.B. 2095, Mississippi Legislature Regular Session 2022, Section 4 (1) (3) and Section 21

Rule 7.1.2 Definitions: The following terms shall have the meaning hereinafter respectively ascribed to them as they relate to licensed medical cannabis establishments participating in the Mississippi Medical Cannabis Program:

1. **Allowable amount of medical cannabis** – The term “allowable amount of medical cannabis” means an amount not to exceed the maximum amount of Mississippi Medical Cannabis Equivalency Units ("MMCEU").
2. **Cannabis** - The term "cannabis" means all parts of the plant of the genus cannabis, the flower, the seeds thereof, the resin extracted from any part of the plant and every compound, manufacture, salt, derivative, mixture or preparation of the plant, its seeds or its resin, including whole plant extracts. Such term shall not mean cannabis-derived products approved by the federal Food and Drug Administration under Section 505 of the Federal Food, Drug, and Cosmetic Act.
3. **Cannabis container** – The term “cannabis container” means an individual locked and secure container in which an originating medical cannabis establishment places cannabis and/or cannabis products for transport to a receiving medical cannabis establishment.
4. **Cannabis cultivation facility** – The term “cannabis cultivation facility” means a business entity licensed and registered by the Mississippi Department of Health that acquires, grows, cultivates, and harvests medical cannabis in an indoor, enclosed, locked, and secure area.
5. **Cannabis disposal entity** – The term “cannabis disposal entity” means a business licensed and registered by the Mississippi Department of Health

that is involved in the commercial disposal or destruction of medical cannabis. These entities may also be known as “waste disposal entities”.

6. **Cannabis processing facility** – The term “cannabis processing facility” means a business entity that is licensed and registered by the Mississippi Department of Health that: acquires or intends to acquire cannabis from a cannabis cultivation facility; possesses cannabis with the intent to manufacture a cannabis product; manufactures or intends to manufacture a cannabis product from unprocessed cannabis or a cannabis extract; and sells or intends to sell a cannabis product to a medical cannabis transportation entity, cannabis testing facility or cannabis research facility. These entities may also be known as “processing facilities”, “processors”, or “cannabis processors”.
7. **Cannabis products** – The term “cannabis products” means cannabis flower, concentrated cannabis, cannabis extracts and products that are infused with cannabis or an extract thereof and are intended for use or consumption by humans. The term includes, without limitation, edible cannabis products, beverages, topical products, ointments, oils, tinctures and suppositories that contain tetrahydrocannabinol (THC) and/or cannabidiol (CBD) except those products excluded from control under Sections 41-29-113 and 41-29-136 of the MS Code.
8. **Cannabis research facility** – The term “cannabis research facility” or "research facility" means a research facility at any university or college in this state or an independent entity licensed and registered by the Mississippi Department of Health pursuant to this chapter that acquires cannabis from cannabis cultivation facilities and cannabis processing facilities in order to research cannabis, develop best practices for specific medical conditions, develop medicines and provide commercial access for medical use.
9. **Cannabis testing facility** – The term “cannabis testing facility” or "testing facility" means an independent entity licensed and registered by the Mississippi Department of Health that analyzes the safety and potency of cannabis.
10. **Department** – The term “Department” means the Mississippi State Department of Health.
11. **Economic interest** – The term “economic interest” means holding an ownership interest as a sole proprietor, partner, member, limited partner, member holding at least a 10% equity or similar interest stockholder owning at least 10% of available stock, or as any other type of interest that entitles the individual or entity to regular payments for amounts based on a percentage of revenue derived from the commercial transportation of cannabis or cannabis products by a cannabis transportation entity as defined

by the MS Medical Cannabis Act.

12. **Locked storage container** – The term “locked storage container” means a secure storage/packing/loading container that may contain multiple individual cannabis containers for transport. A locked storage container is a fixed part of the vehicles used for transportation and is inaccessible to the driver during transport.
13. **Medical cannabis establishments** – The term “medical cannabis establishments” shall mean a cannabis cultivation facility, cannabis processing facility, cannabis testing facility, cannabis transportation entity, cannabis transportation entity, cannabis disposal entity, cannabis research facility licensed and registered by MS State Department of Health (the Department) or Mississippi Department of Revenue (MDOR). Medical Cannabis Establishments may also be known as licensed entities, licensees, or establishments.
14. **Medical cannabis transportation entity** – The term "Medical cannabis transportation entity" or "cannabis transportation entity" means an entity licensed and registered with the Mississippi Department of Health that acquires, possesses, stores, transfers, and transports cannabis and/or cannabis products to other medical cannabis establishments licensed by the MS State Department of Health and/or Mississippi Department of Revenue. The term “transporter” may also be utilized to describe these entities.
15. **Provisional license** - The term “provisional license” means a license issued by the Mississippi State Department of Health when a temporary condition of non-compliance with the regulations contained in this Part exists. A provisional license shall be issued only if the Mississippi State Department of Health is satisfied that preparations are being made to qualify for a non-provisional license and that the health and safety of patients and the public will not be endangered. Business activities and operations are limited by this licensure category.
16. **Regular license** – The term “regular license” means a license issued by the Mississippi State Department of Health when there is evidence of compliance with all applicable rules and regulations in this Part and components of the Mississippi Medical Cannabis Act.

Rule 7.1.4 Cannabis transportation entities must comply with any and all motor vehicle laws in the State of Mississippi.

Subchapter 2 Application for Licensure as a Cannabis Transportation Entity

Rule 7.2.1 An application and all complete required documentation must be submitted to the Department using its required format and/or system.

Source: Mississippi Medical Cannabis Act, S.B. 2095, Mississippi Legislature Regular Session 2022, Section 4 (1) (3) and Section 21

Rule 7.2.2 At a minimum, an application for licensure as a cannabis transportation entity must include the following:

1. The names and other required information for all individuals and legal entities who are applicants.
2. The proposed physical location of the cannabis transportation entity.
3. A map or sketch of the premises proposed for licensure, including the defined boundaries of the premises and a scaled floorplan sketch of all enclosed areas with clear identification of the main entrance, walls, all areas of ingress and egress, and all limited access areas. This map must provide accurate measurements that allow the Department, at a minimum, to determine the precise main entrance location in reference to the rest of the premises;
4. If the application is based on proposed construction not completed at the time of application, the applicant must submit construction plans for the proposed building which will be the basis for the application investigation. These plans must, at a minimum, provide accurate measurements that allow the Department to determine the precise main entrance location in reference to the rest of the building;
5. An operating plan that demonstrates at a minimum how the applicant's proposed premises and business will comply with applicable laws and rules regarding:
 - A. Security;

- B. Employment practices that include a plan of action to inform, hire, and educate minorities, women, veterans, and persons with disabilities, engage in fair labor practices, and provide employee protections;
 - C. Record-keeping systems;
 - D. Hours of operation;
 - E. Preventing diversion of cannabis and/or cannabis products;
 - F. Inventory control and tracking;
 - G. The number and type (make, year, and model) of equipment the transporter will use to transport cannabis and cannabis-infused products
6. If the municipality or county where the proposed cannabis transportation entity will be located has enacted zoning restrictions, a sworn attestation by the applicant certifying that the proposed cannabis transportation entity is in compliance with the restrictions.
 7. If the municipality or county where the proposed cannabis transportation entity will be located requires a local registration, license, or permit, then the applicant must include a copy of such registration, license or permit issued to the applicant with the application submitted to the Department.
 8. The names and other required information for all individuals and legal entities with an economic interest in the proposed cannabis transportation entity.
 9. Fingerprint cards or electronic fingerprints collected by a live scan vendor documentation for applicant's individual owners, individuals/entities with economic interest in order to perform a criminal background check to determine whether a disqualify felony offense is present.
 10. Other information that may be required by the Department.

Rule 7.2.3 The Department will review an application to determine if it is complete. An application will not be considered complete if the applicant does not provide all information required by the application form, the full application and license fees have not been paid, or all of the additional information required under these rules is not submitted. If items are missing, the Department will send notification to the

applicant that the application has been rejected and provide a description of the needed information. The applicant will need to resubmit an amended application for a license if the application is rejected.

Source: Mississippi Medical Cannabis Act, S.B. 2095, Mississippi Legislature Regular Session 2022, Section 4 (1) (3) and Section 21

Rule 7.2.4 Once all required information is received and the fees have been paid, the Department will send notification to the applicant that it has received a completed application. Once the application has been deemed complete, the Department will review the application and issue a determination within thirty (30) days of receiving the completed application. Applications will be processed in the order in which a completed application is filed by the applicant. Review will be initiated based on the order in which a complete application is filed; however, the duration of the review will depend upon the information provided by the applicant.
